Comments: RMC recommends that the court not rely upon attachments alone as the basis for its findings. Where attachments are used, specific reference to the document title, page and paragraph should be made.

For the court to impose secure detention or any other form of out-of-home placement on the juvenile, the court must make the findings contained in paragraph 3.

When the court imposes and stays secure detention or other out-of-home placement, a hearing must be held before the stay can be lifted as to the out-of-home placement.

About this Form: This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference.

If you have additional information that does not change the meaning of the form, attach it on a separate page. The form itself shall not be altered.
